Membership

At Outsiders and Others, we believe art should be for everyone. For just \$20, you can help fund exhibitions, support underrepresented artists, and increase our chances of securing grants that expand our outreach.

Outsiders and Others is a not-for-profit art society with a mission to bring non-traditional artists to the forefront. This includes artists who are self-taught, live with disabilities, and artists who fall outside of the mainstream art world.

It costs \$20 for a 1-year membership.

Having a strong membership allows us to demonstrate to funders that our ongoing work is making a positive impact on the lives of the artists we work with. Your membership will also grant you an invitation to our Annual General Meeting where you can learn more about our accomplishments and future plans, and meet our staff and Board of Directors.

Membership benefits:

- Some Outsiders and Others merchandise (Pick up at the gallery only)
- 5% discount on all original art in the gallery
- Monthly e-newsletter
- Invitation to our Annual General Meeting
- Our gratitude and admiration
